Local Streets To Be Paved Under County Program

Work Expected To Start In Near Future, Loehr Reports

All of Truckee streets in need of resurfacing will be repaired during the next few weeks.

Supervisor H. G. Loehr today announced that arrangements have been made with Gill Construction Company of Bakersfield, currently engaged in work on U. S. Highway 40 and State Route 28, to resurface all of the streets in Truckee providing the funds made available are sufficient.

Loehr said he had received assurance from County Road Commissioner Smith that the work would be started in the near future.

$25,000 Project

A sum of $25,000 has been allocated from the road fund of Nevada County to do the work and provide the material, the local supervisor said. This is money returned to the county from state funds derived from gasoline tax, license fees, etc.

Last year the streets at Gateway Park were surfaced under a similar arrangement.

Loehr said he is unable to designate which streets will be started first but gave assurance that the work would be continued until the entire project is completed this year.

Patrol Here Has Busy Weekend

Officers of the California Highway Patrol maintained a constant day and night watch on the highways in the Truckee division during the Independence Day holiday and reports a total of nine accidents, four involving personal injuries, five with property damage. The patrol made a total of 154 arrests among the thousands of motorists who set a new travel record in the area.

Last year there were a total of five accidents, three resulting in personal injuries and two with property damage only.

Three hit and run accidents are being investigated, Sgt. E. L. Freeman reported in summarizing the four-day activity report.

Of the arrests, passing over the double white line led the list when 34 were cited for this dangerous violation. Twenty-two were nabbed for passing without sufficient clearance, five received tickets for driving on the wrong side of the highway and four for cutting in. Other moving violations included turning without signal, passing on the right ,following too closely, failure to stop at an intersection and 12 were given tickets for speeding.

Nine cars were found to have defective brakes, 14 were cited for headlight violations, five for misuse of dealer plates, 15 for illegal exhausts, 16 for illegal parking and there were two cited as drunk drivers.

Six officers were kept busy during the holiday period, Sergeant Freeman reports, as every effort was made to minimize the hazards of the highway.

REG SMART NOW BOARD PRESIDENT

Reginald Smart of Truckee is the new president of the Tahoe-Truckee School District board of directors, succeeding Fred Pedley as head of the governing board.

The reorganization meeting scheduled for July 1, saw Denis Sach reelected clerk of the board and Pedley named to the vice presidency.

Jack Felte of Kings Beach was installed as the new member, replacing Tom Lucas, who was not a candidate at the recent election.

Truckee Woman's Car Forced Off Road, Wrecks

Mrs. Fred Pedley of Truckee fortunately escaped serious injury last week when the station wagon she was driving near Crystal Bay, Nev., was forced off the highway by another vehicle and plunged off a steep embankment. Mrs. Pedley made her way back to the highway but it was some time before a passing motorist stopped to render assistance, no one being able to see the wrecked car. The victim was taken to the Tahoe Forest Hospital but aside from shock was not believed injured.

Lodge Official To Make Visit To Local Rebekahs

Mrs. Pearl Heller, district deputy president will make her first official visit to Naomi Rebekah Lodge No. 2 on Wednesday evening, July 13.

Members of the local lodge expressed appreciation for those who contributed to the success of their recent bazaar and kitchen sale.

'Slim' Ellert, Local Sports Expert, Dies After Long Illness

Funeral services for Alton Trainor (Slim) Ellert, 69, were held at the Truckee Colonial Mortuary Sunday afternoon and interment followed in the Truckee cemetery. Ellert, a resident of Truckee for 50 years, died here at 5 a.m. Friday following a lengthy illness.

A native of San Joaquin County, Slim, as he was known to hundreds of friends throughout northern and central California, was born June 11, 1886. When a young man of 20, he came to Truckee and was associated with the late Dave Cabona for many years and up until his fatal illness he operated the Truckee Sport Shop at Cabona's.

An ardent sportsman himself, Ellert's advise of fishing and hunting was constantly sought and he always provided useful information to everyone seeking his council.

Surviving are his wife, Claire and a daughter, Marie Ellert, both residents of Berkeley. He had no other near relatives in this part of the country.

The rites here were conducted under the auspices of the Elks Lodge of Nevada City of which the deceased was an active member, with Rev. Wesley Osman conducting the services. Pallbearers were Parker Smith and Louis Fature of the Sacramento sheriff's office, Colonel Walter Reddick of McClelland Field, Jack Garbaldi, former coroner of Sacramento and John Richards and Charles Osburn of Truckee.

Slim was widely liked throughout the area and he will be greatly missed by his legion of friends.

JAMES MORHAIN IS TO BE INSTALLED AS HEAD OF 20-30

The Truckee unit of 20-30 International will install its new officers for the coming fiscal year at a special dinner and ladies' night at Donner Lake Lodge this Saturday at 7:30 p.m.

The incoming officers are James Morhain, president; Jack Miller, first vice president; Robert Madge, second vice president; Kenneth Brown, treasurer; Lynn Kishbaugh, secretary; and Al Schell and Dick Robart, sergeant-at-arms. The directors will be Tom Patterson, Charles Ed Smith and Hugh Weinand.

Master of ceremonies, out-going president, Chet Burns, will provide the program for the evening's affair.

All past actives of the club have been extended an invitation to join in the proceedings, along with their wives.

Truckee Girl Scouts At Meeks Bay Camp

Lois, Patricia and Pamela Freeman, three members of Donner Girl Scout Troop of Truckee left on Tuesday to attend the Washoe Girl Scouts Camp being held at Meeks Bay. More than 400 girls are expected to attend the three sessions of two weeks each which are being directed by Miss Grace Donehouer of Reno.

Mrs. Frank Giovannoni accompanied the members of the local troop on an excursion along the Truckee River Tuesday when the girls identified many wild flowers seen along the stream.

Accused Drunk Driver Is Released On Bail

George Robinson, 47, Alameda, was released on bail of $263 following his appearance before Judge F. W. Wilson on a drunk driving charge. He was arrested Sunday by Patrolman Martin Sturcke and Roy Stallard in Truckee.

Marysville Man Here As Railroad Clerk

John E. Decker has transferred from Marysville to take the position of freight and ticket clerk with the local Southern Pacific Company. Mrs. Decker and their child will arrive this weekend to establish their home.

IT'S WISE TO ADVERTISE!

Accused Slayer Shot, Nabbed In Sierra Escape

Hitchhiker Arrested Here Makes Bold Attempt To Escape

DOWNIEVILLE—Willie Wheat, 61-year-old Berkeley transient charged with murdering Lee Madsen of Reno, was shot and recaptured Sunday night three hours after he escaped from Sierra County's new jail here.

Wheat squeezed through the bars of the jail corridor he was cleaning and fled, shoeless, into the brushes along the North Yuba River toward a highway.

Undersheriff James F. Hill organized a 25-man posse and ordered all roads in the area blocked. The undersheriff sighted Wheat near the road.

Fired Warning Shot

Hill called a warning to halt, he recounted, but Wheat ran toward a culvert. The undersheriff fired a warning shot and when Wheat ignored it, pulled down and sent a bullet through the fugitive's leg just above the knee.

The wounded man was taken to the county hospital in Nevada City, Nevada County, for treatment and held in the jail there until he can be returned here.

Threatened Suicide

Hill said Wheat was missed when his special guard, Richard R. Lewis, reported on duty at about 4 p.m. Because he had threatened suicide, Hill added, Wheat's shoes had been taken from him so he could not use the laces, and the sheets were removed from his bed to prevent his fashioning a noose.

Wheat was scheduled to be arraigned in the superior court July 13 on the charge of killing Madsen, 48, owner of Reno's largest fountain-restaurant, after Madsen refused Wheat's request for a ride to Sacramento.

Truckee Youth Will Play Baseball With Southern Professionals

Larry Williams, 18-years-old, who graduated from Tahoe-Truckee Unified High School in June, recently returned to Tucson, Ariz., where he signed a professional baseball contract with the Globe-Miami Miners.

Young Williams team is training in Tucson and Ray Steele, manager of the Miners believes Larry is "one of the hottest prospects we have on our team," according to a story in the Arizona Daily Star.

Mr. and Mrs. K. F. Williams, his parents and brother, Michael, formerly lived in Arizona where the baseball player was an all-around athletic star while attending school there. His father is in the process of transfer to Stead Air Force base at Reno, the family making its home in Truckee.

Two Hit-Run Cases Are Under CHP Investigation

Two hit and run cases involving only damage to cars, were being investigated this week by officers of the California Highway Patrol.

Both accidents occured at Kings Beach, the first involving a car driven by Edison F. McGarry of Reno, employed at Crystal Bay, who told Patrolman T. F. Sheehan that a sports car came across the center line and struck his vehicle. The driver sped away, he said. The mishap occured July 4.

The second case was that of Albert H. Jaffe of Baltimore, whose 1955 Buick was damaged when struck by a car which did not stop on the Brockway Hill Tuesday morning.

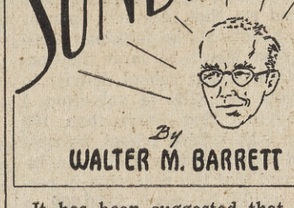
CATCHES LIMITS

Mr. and Mrs. M. L. Jennings are vacationing at Gateway Motel and the former S. P. superintendent is again demonstrating his prowess as a fisherman by catching daily limits on the Truckee River.

CARS COLLIDE

Cars driven by Marion White and Mrs. Henrietta Emily Taylor, both of Tahoe City, collided half a mile west of Tahoe City Wednesday morning, but no one was injured. Patrolman T. F. Sheehan made the investigation.

SUNBEAMS



By WALTER M. BARRETT

It has been suggested that this newspaper refrain from publication of news involving motor vehicle accidents, violation citations and similar facts, as it might deter some drivers from utilizing the highways of the area. Such a suggestion, in our estimation, is unsound and certainly would not result in increased use of our roads. If drivers gained the idea that no accidents occur in the region, it most likely would result in more accidents, since caution would not be exercised fully. Omitting reports of arrests would no doubt have the same reaction. Motorists would be more inclined to violate the rules of the road, if they held the thought they were immune. It is not a pleasure to report details of tragic accidents, nor is it pleasant to recount stories of arrests, but after all, the newspaper does not make the news, it merely reports it, and if those desiring a discontinuance of this type of reporting would like to improve the situation, they may do so by seeing to it that wrecks and arrests do not occur. We are rather pleased with the huge majority of vehicles which travel our highways without mishap and without citations to the drivers. The frequent wrecks and arrests compare very favorably with most highly traveled regions.

* * *

Bouquets this week to the working committee of the Truckee Chamber of Commerce and the Tahoe Volunteer Fire Department who put on a real bang-up fireworks display here and at Tahoe City during the observance of Independence Day. Both shows were grand and the thousands who enjoyed them will join in expressing a hearty "thank you" to those who made them possible.

Four Arrested Here As Drunks On Weekend

Four men were arrested in Truckee during the holiday weekend for violation of the county's sobriety ordinance, Deputy Sheriff Roy Waters reports. Arrests were made by Waters and Constalble N. F. Dolley.

They included Alfred Gregori, who was fined $50 by Judge F. W. Wilson, Larry Niesse, who drew a 15-day suspended sentence; Mike Hurrera, sentenced to 15 days and Peter Hurley, who was fined $75. The latter two were recent repeat cases, Water said.

Another Appeal Made For Cancer Fund Here

John Finnegan, Truckee district chairman for the cancer fund drive committee, today pointed out that despite numerous appeals, the drive in this area is still far behind expectations.

He urged that recipients of letters sent out some time ago asking for aid return their self-addressed envelopes with whatever sum they can afford to give to this worthy cause.

"We do not want to think of reporting Truckee and vicinity as falling down in this important drive," Finnegan declared in pointing out that the drive ends soon.

NEEDS CREDENTIAL

The Nevada County superindent of schools is required to have a general credential instad of a secondary or elementary administrative credential, under a bill signed this week by Gov. Goodwin J. Knight. The bill was introduced by Senator Harold Johnson of Roseville.

Daughter Born

Mr. and Mrs. Arthur Eve, formerly of Truckee where he was principal at the Truckee elementary school, are parents of a baby daughter, born June 27 at Woodland, where they now reside.

Mr. and Mrs. Roy Baker were Sacramento visitors where they attended a play.

Boat Races Set For Sunday On West End Donner

Fireworks Attracts Throng As Second Event Is On Schedule

With the fireworks at Donner Lake a pleasant memory, the Chamber of Commerce committee this week has turned its efforts to the next major feature attraction, the annual Outboard Motor Boat races scheduled for Sunday at the west end of Donner.

The fireworks Monday evening attracted a crowd estimated at well over 5000 and the display was bigger and better than ever. The committee in charge comprised Rex Reid, Ken Hedlund and Earl Stice, with Hal Welch, chamber president, at the public address mike.

On the committee arranging the boat races Sunday are Bud Bradshaw, Ken Hedlund, Rex Reid, Jerri Bonano and Dick Robarts.

There will be 18 races, scheduled to start at 11 a.m., with eight classes. Trophies will be awarded in each class and prizes will be given to members of the Sponsor Club, promoters of the affair between each race. These awards are donations from the various local merchants.

The public is invited to witness the races and there will be no charge for admission.

REQUEST FOR U.S. AID ON 40 DROPPED AS NOT NECESSARY

WASHINGTON—Senator Thomas H. Kuchel of California has dropped a request for legislation which would make the widening of US Highway 40 over the Sierra Nevada a join project of the federal and state governments.

Under the plan California would have provided half the money.

Kuchel explained that both the administration and the Gore highway programs now being considered by congress provide that Highway 40 would be part of an interstate network. Under both proposals the federal government would pay 90 per cent of the improvement costs.

Under these circumstances, the Republican senator declared, it is pointless to pursue the plan for the larger state participation.

Woman Taken From Bus On Theft Charge

Nancy Belle Martin, Woodland, was taken to the Placer County jail at Auburn this week after charges of grand theft (automobile) had been filed against her by Ruth Roman, Sacramento. The plaintiff told Patrolman T. F. Sheehan of the California Highway Patrol, who took Miss Martin off a north bound bus between here and Tahoe City, that the latter stole her new Buick.

The car was later returned to Chambers Lodge from where it had allegedly been taken by Miss Martin.

Annual Jeep Trip Is Scheduled For July 16

Ray Shull, Auburn, chairman of the 5th Annual Auburn-Wentworth Springs-Lake Tahoe jeep trip, sponsored by the Auburn Area Chamber of Commerce, announced today that reservations for this year's trip scheduled for July 16 and 17 will be limited to 150 persons.

Shull stated that only jeeps in good condition will be permitted in the caravan as the country to be traversed is extremely rugged.

The first section of the caravan, under the leadership of Co-chairman Lauren Bryan, will leave from the Freeman Hotel in Auburn at 9:30 a.m. on Saturday, July 16. Shull will head the second section of the caravan which will leave Auburn at 1:30 p.m. on the same day.

CATTLE ARRIVE

Bryce Euer put a large herd of cattle and calves in Carpenter Valley last Friday. Within a few days, the final shipment of the stock will arrive from Folsom to range in the Euer Valley and the area near Truckee.

Man Killed As Car Accidents Mar 4th In Truckee District

Marion Dayley, 61, a Sacramento jeweler, was killed and five other people were injured in automobile mishaps during the holiday weekend.

Dayley died Sunday evening after his car plunged through a guard rail on the Southern Pacific overpass at Yuba Gap. His wife, Maude, 58, was taken to the Tahoe Forest Hospital in serious condition by the Truckee ambulance. Witnesses said the car was traveling at a high rate of speed and apparently lost a wheel before tearing out 100 feet of guard rail to plunge 30 feet straight down.

The body was taken to the Truckee Colonial Mortuary and later sent to Sacramento for funeral services.

Walter Sweden, Sacramento, was injured when a car driven by William A. White of Sacramento ran off the road near Big Chief on the Truckee River Monday morning at 5 a.m. White was cited by Patrolman T. F. Sheehan for speeding.

While the White mishap was being cleared up, a second accident occured. A tank truck driven by Emery E. Kuster, Sacramento, stopped and was struck by a panel newspaper truck operated by Jack Ward Taylor, 22, of Reno who was taken to the hospital for treatment of minor injuries.

Tahoe Mishap

Charlotte Mae Burke, Kings Beach, suffered minor injuries when cars driven by Theodore Beckett, Orinda, and Robert N. Kluth, Crystal Bay, collided one mile south of Tahoe City Saturday at 3:25 a.m. Patrolman Sheehan cited both drivers.

Summt Accident

Knut B. Busset, 25, Cisco Grove, was treated at the hospital here Saturday at 1 a.m. after his car left the highway and crashed into a utility pole near Soda Springs. He was cited by Patrolman Carroll Maynard for speeding.

23 Children Receive First Communion In Rites Here, Tahoe

Twenty-three children of the Truckee Catholic Parish received their first Holy Communion on Sunday, June 26 in ceremonies at the Assumption Church in Truckee and Our Lady of the Lake Church at Kings Beach.

Those receiving the communion in Truckee were Larry Digesti, Barbara and Geraldine Steele, Gary Sturcke, Joseph and Salvador Cabrerra, Alex Martin, David Pancoke, and Shiela Larrivee.

At Kings Beach the following: Cathy Conners, Julianne Bechdolt, Joyce Anderson, Cathy Wilson, Beverly Bergmans, Loretta Barnett, Martin Dixon, Sylvia Rossi, Elizabeth Omlar, Ronny Baker, Joan, David and Danny Decker, Virginia DePaulo, Janice Giannini and Pam Powell.

Shower Here Honors Mrs. Norman Albee

Mrs. Norman Albee was complimented at a stork shower last Friday evening, Mrs. Jack Pearce and Mrs. Robert Rose were hostesses, entertaining in the home of Mrs. Rose.

The honoree opened gifts presented to her in a bassinet, and the friends visiting during the pleasant affair. A cake decorated to indicate the party's idea was cut during the refreshment hour.

Those invited included Mesdames A. E. Burlingham, Spencer Richards, William Campbell, Virginia Taylor, Dorothy Morhain, Colette O'Rourke, Rogette Stinchfield, Dave Medford, Herbert Copeland, Dale Strickland, A. R. Ghiard, Stanley Zwarg, Columbia Tong, Misses Millie Pugh, Eleanore Domingues, all of Truckee and Mesdames Lois Tackett, Mary Sheldon of Roseville.

BILL SIGNED

A bill authored by Senator Harold Johnson of Roseville which excludes from workmen's compensation coverage individuals performing voluntary service as ski patrolmen and receiving no compensation other than the use of ski tow and lift facilities, has been signed into law by Gov. Goodwin J. Knight.

Delay Marks First Move To Provide Zoning Ordinance

Public Hearing Scheduled To Air All Sides In Discussion

At least a temporary delay in a proposal to establish a building and zoning code in eastern Nevada County, in view of the forthcoming Olympic Winter Games, was encountered at the meeting of the board of supervisors last Friday.

The board held that the people of the affected area have not had sufficient notice of the proposal and the idea was shifted back to the planning commission, which had unanimously endorsed the suggestion, for further detailed action, such as fixing the boundaries, etc.

A public hearing on the proposed ordinance will be held Tuesday, June 26, when all interested parties may appear and be heard.

Dennis Jones of Donner Summit appeared and objected to the plan on the basis of the personnel of the suggested committee to have jurisdiction over terms of the ordinance. As proposed it would have embraced the supervisor from this district, the member of the planning commission, the USFS ranger, a representative of the county health department and a representative citizen of the region.

A. T. Parsons, county planning consultant and representing the planning committee, presented the petition asking for the ordinance after its unanimous passage by the committee.

Supervisor H. G. Loehr, who is strongly supporting an ordinance to regulate building and sanitary conditions which no doubt will be aggravated by the approaching Olympics, has suggested that civic groups and those concerned with the future sound development of the region, have representatives at the public meeting and petition the board for enactment of the ordinance.

First "Litterbug" Case In Area Cited

The first "litterbug" citation in the Truckee Division of the California Highway Patrol was issued during the weekend to Archie James Berg of Orangevale, who has been cited to appear before Judge F. W. Wilson for violating Section 601 of the vehicle code.

Berg was arrested by Patrolman Lyle Tice near Windy Point on Donner grade just after he was alleged to have tossed a beer can from his car. The new law, which prohibits throwing anything from a vehicle along the highways, was designed to protect the roadsides from the usual litter or miscellaneous debris and motorists have been sufficiently warned.

James Wofford of Coos Bay, Ore., was cited for the same offense near Colfax. The difference was that Wofford and his wife, seeing the patrol car approach, tossed all their beer cans out—some unopened, some emptied. Judge Crowe assessed the violator $27.

Edmunds Named On County Water Board

C. Edmunds, manager of the Truckee Public Utility District, has been named as one of 11 men tentatively selected by the Nevada County Board of Supervisors to comprise a water resources board to study the water needs of the county for the next 50 years.

The board will be asked to complete a survey of water conditions throughout the county started some time ago and dropped until further action could be taken.

NEW POWERS GO TO LIQUOR BOARD MEN

Liquor control officers will have the same powers as peace officers under the terms of AB 3316, Weinberger, signed by Gov. Goodwin J. Knight.

However, such authority will apply only when the offices are on enforcement duty in or about a liquor establishment.

The new law will permit them to make arrests for violations of any penal law in addition to their work in enforcement of the state alcoholic beverage control laws.

THREE CAR COLLISION

Three cars driven by Joe W. Reid, Reno, Connie Delaney, Crystal Bay and Abe J. Weinstein, Crystal Bay, collided near Kings Beach Sunday morning. No one was hurt but all cars were damaged, the highway patrol reported.

Weekend Guests—

Fourth of July weekend guests at the A. Mahne home were Mr. and Mrs. John Clark, Jr., Mr. and Mrs. Roy McKinnon and daughter, Darys Elaine. all of Sacramento.

AFFAIRS OF STATE

by Henry C. MacArthur

SACRAMENTO (CNS)—Another sample of the inadequacies of the present legislative system, and the dangers encountered by jamming amendments through the two houses in the closing days, without proper hearing and consideration is seen in senate bill 1445, by Senator Nelson P. Dilworth, of Riverside County.

This measure, which "Affairs of State" has commented on previously, liberalizes the state teacher retirement program by providing retirement benefits for teachers equal to those received by state employes.

The measure is effective July 1, 1956, and proposed computing retirement benefits upon the basis of the three highest consecutive years of salary during the period of teaching service, instead of the present complicated three-part basis.

After the bill was passed in its amended form by the legislature, it was discovered that a high of $7 per $100 of assessed valuation would be imposed on at least one district to pay for this liberalized program, which started out as a measure to require about an additional $12,000,000 contribution from state funds.

The bill however, was amended in the final days of the session, reportedly at the instigation of Senator Ben F. Hulse, of Imperial County, to transfer the financial burden to the school districts, instead of the state, with the resulting confiscatory levy of a great many of the poorer school districts of California.

Gov. Goodwin J. Knight has signed the bill, and he stated when he affixed his signature to the measure that he was "happy to sign it, because it carries out a principle I have long supported, of bringing the retirement program of our 90,000 public school teachers up to the standards now existing for state employes."

Knight recognizes, however, the inadequacies of the bill, as he said further:

"In its present form, the bill would require excessive contributions from a relatively few school districts, which have very low assessed valuations. This was called to my attention by the sponsors of the bill, the California Teachers Association, immediately following its passage.

"The Association and the author of the bill, Senator Dilworth, have assured me that they will sponsor amendments at the legislative session next March to limit the contribution of any school district to 15 cents per $100 of valuation. I am advised that fewer than 100 of the state's 2000 school districts would be affected by such a limitation, and that the reduction in revenue would be about $100,000 a year."

The governor thus commits himself to call a special session of the legislature concurrently with the budget session next March, for unless he does, there will be no amendments.

Also, the statement is an indication that the California Teachers Association dictates the school legislation in California, as there is no commitment except from one out of 120 legislators that anyone else will sponsor the amendments.

And in addition, there is a question as to whether the amendments can be written into law before the March ,1956 assessments are made. Apparently, the districts involved will necessarily assess at that time, which is before the legislature meets, to meet the ensuing year's bills.

FUNDS REQUIRED TO FINANCE 1960 OLYMPIC GAMES

AUBURN—The Winter Olympic Promotion Fund in northern California is $15,000 in the red.

Officials are offering copies of the Squaw Valley brochure given to the Olympic committee in Paris to all contributors of $100 or more.

A breakdown of the $10,002.44 collected and spent reveals the following contributions by areas:

Reno, $300; Lake Tahoe-Truckee, $1033; Donner Summit, $182; Auburn-Colfax, $692.50; Roseville-Lincoln, $100; Placerville, $250; Sacramento, $100; San Francisco-Oakland-Berkeley, $1000.

The remainder of the total came from industries not assigned to communities and is distributed as follows:

Oil companies, $1800; air lines, $500; breweries, $918.94; dairies $250; skating rinks, $50; sporting goods manufacturers, $125.

The final contribution came from an unnamed student of Colorado College, Colorado Springs, who sent $1.

Roy Mikkelsen, former national ski jumping champion, headed the committee which raised the funds and is sending out the appeals for further contributions.

D. J. Dobbas, president of the Placer County Chamber of Commerce, states the entire presentation and preliminary work to build up Squaw Valley as a contender cost $50,000.

Half this amount was underwritten by Squaw Valley authorities, he said, and the remaining half was to be raised by a citizens' committee.

He said promotion costs included $7315 for the brochure; engineering services, aerial photography, model construction, architectural services, surveying and contacts with delegates to the international Olympic committee meeting in Paris.

Veterans Urged To Study New Loan Bill For Homes

California veterans should understand that a law just signed by the governor liberalizing "Cal-Vet" farm and home loans does not take effect until September 7, cautioned John T. Trauner, county service officer. He also pointed out that the new law does not increase the amount of the state loan—it only enables California veterans to buy properties of greater value under the state's three per cent financing plan.

The new law is chapter 1082 of the 1955 statutes (formerly Senate Bill 1491). It increases the top value of the property which the Department of Veterans Affairs may help a veteran buy to $17,000 for a home and $30,000 for a farm. Properties valued above the old ceilings of $12,500 for homes and $18,500 for farm may not be submitted to the department before August 1, and final action cannot be taken on them until September 7.

The most the department may advance to a eligible veteran continues to be $8500 for a dwelling and $15,000 for a farm.

It is also possible now for a veteran to own any amount of real property without forfeiting his privilege to obtain state financial assistance. Formerly certain limitations were imposed.

The Gjora, the tiny sloop in which Captain Roald Amundsen pioneered the Northwest Passage, is preserved as a memorial in San Francisco's Golden Gate Park.

SUMMER THEATER TO PRESENT SERIES OF PLAYS AT SCHOOL

TAHOE CITY—On Thursday and Friday, July 7 and 8, the drama department of the Sacramento State College will present three one-act plays at the auditorium of the Tahoe Lake School. The plays are under the direction of Dr. Carl A. Thomas.

Plans are also going forward for similar performances by the summer theater group on July 21 and 22 and on August 4 and 5, Business Manager Yvonne Bechdolt reports.

Titles of the plays are "The Trysting Place," a comedy by Booth Tarkington, "Hello Out There," a drama by William Saroyan and "Simple Notions," a comedy by Tennessee Williams.

Included in the cast of "The Trysting Place" are Alan Glass as Lancelot Briggs, Helen Benoit as Mrs. Curtis, Betty Martin as Mrs. Briggs, Edith Heaney as Jessie, Perry Williams as Mr. Ingoldsy, Bob Smart as Rupert, and James Heany as the mysterious voice.

Larry Williams is cast as the young man in "Hello Out There," with April Pettijohn as the young girl. Bob Smart is cast as the husband, Mary Fieguth and Glenda Coberly alternated as the wife, and Alan Glass played the man.

The cast of "Simple Notions" includes Janice Berkebile as Dorothy Simple, Alan Glass as the young man, Bob Smart as the policeman, and Diana Lions and Rebecca Yoos alternating as Mrs. Dull.

The backstage crews consists of Yvonne Bechdolt as properties and business manager, Rebecca Yoos as house manager, Glenda Coberly on the lights, Mary Fieguth and Edith Heaney on sound, music and costumes, April Pettijohn on publicity, and Bob Smart and Diana Lions acting as assistant directors.

NOTICE

I wish to retract the item in last week's Sierra Sun regarding the transaction of the Robert H. Watson property. The transaction of the property has not been completed pending a future date.

TED GAMEL

The Farallone Islands became a part of the City and County of San Francisco in 1872.

NORTH TAHOE

By JUDGE HARRY CHARRISON

Visitors

A sight to behold was Stanley and Mrs. Martin and Stanley's sister, Mae Morrison, fresh from Lovelock, Nev. They tell me they celebrated their thirteth wedding anniversary at the end of June, and we sure wish them a couple of more thirties. We have missed the Martins as they were both community minded. Stan was in charge of the Sierra Pacific Power at Tahoe City. Of course we have a good follower - upper in Bob Tonini.

Home Again

Bert and Mrs. King had as their visitor Mrs. King's mother, Mrs. Donnelly. Dot tells me they expect their son, Norman, home pretty soon. There will be a hot time in the old town the night he arrives. Norm has been in the navy.

Recuperating

I am told that Marie C. Hart has been in the hospital in Reno undergoing an operation, and is said to be coming along very nicely, and should be home at her Agate Bay residence by this time. All we wish her is that she recuperates very quickly.

A Little Late

Sometime ago I said that the Michael Bennings were up for the summer. Well, I was only about five weeks ahead of them, as they arrived last weekend. They own the Benning's Resort in Kings Beach. Mike is also a photographer and makes a speciality of school pictures, so he had to wait for school closing before coming up.

There She Goes

I'll say it was a bright spot at the corner of Deer and Highway 28, when Walt Bailey opened the new station officially. It is sure a crackerjack of a place, just like a circus. Crackerjack, popcorn, soft drinks and even suckers and free horseback rides. Good luck, Walt and Janice.

Traveling

Hard a card from Mr. and Mrs. Bob Murray of Tahoe Vista, sent from Paris, and by all accounts they are having a wonderful time, and will visit in seven different countries, and will not be back till pretty well the end of summer.

Church

The weather was made to order for the outdoor services of the Community Methodist Church last Sunday morning. First a little sunshine and then little clouds. A great many out-of-towners were in attendance. A real cosmopolitan congregation, as they came from many states. A delightful smorgasbord was held at the church in the evening. Rev. Covher said the choir robes together with the new organ should be heree by this weekend. Yes, and choir practice is held every Friday night and you are cordially invited to attend at 8 p.m.

New Car Home

Gene Faulkner just paid me a visit and brought his beautiful new Cadillac. Oh, boy, it's a dandy. The Faulkners are busy at their new home these days. They are on the short cut facing the golf course. Gene has done wonderfully well in his business, the Tahoe Plumbing, since starting up a little over a year ago and he sure needs no one to turn any water on. That should "Crab Louie" or Sam.

Visitors

The Mizners are enjoying Ruth's mother and dad, who are staying for a visit. They are from Guide Rock, Neb. They have already had a couple of months here, and both Mr. and Mrs. Hendrickson tell me they hope to make it another two months.

Bones

We never knew that we were so wealthy (not in money) but in friendship. I can tell you it has really been wonderful. We could not count the phone calls, the cards and flowers that Elsie has received, for which we are both truly thankful. At the moment she is not too comfortable, which is to be expected I guess, but feels that as time goes along her leg will not be so painful and that it might not take so long as expected. She says, thanks a lot.

Take a Bad Choice

Have been traveling over to Truckee a lot lately, and its a problem to figure which way to travel. On Highway 89 you not only get a rough road but a half hour wait as they are tearing up the road for about two miles. And then again the Truckee short cut has changed its name to the Washboard cut off. Its awful sho enuf, and dusty.

Parade

Came down from Crystal Bay tonight—Saturday—and honest to goodness there were cars a mile long—well, not the cars, but they stretched that far, and bumper to bumper. Up the hill free bingo has made its appearance again. What a thrill that gives people that have time on their hands.

Damp

Hi, here it is 7:15 a.m. of the glorious Fourth. Just had my morning cup of tea and I know you won't believe it, it's raining. Not enough to dampen our holiday spirit, but enough to dampen our garden furniture. The skies are just full of murky clouds. Sure hope we get some summer pretty soon.

Business

Business is really good at Kings Beach and Crystal Bay. two businessmen told me that business through June was the best ever, and nearly double of any other year. That sure is encouraging.

Cute

Was surprised at the cute little hospital in Truckee—the Tahoe Forest. Seems very comfortable and a very efficient staff, too.

FILMS OF GAME FEATURE MEET OF TAHOE ROTARIANS

TAHOE CITY—Sandy Murry, a representative of a brewing company, supplied the major entertainment at the Tahoe City Rotary Club's luncheon-meeting held at the Inn on June 28. Murry put on a movie showing the winning football games of the San Francisco Forty-niners of 1954.

Murry was accompanied here by Bob St Clair, right tackle of the Forty-niners, who after the showing of the film, gave an informative talk on the game, and spent some time answering the questions of members. St Clair, who is a giant of six foot seven inches in height, said that his weight of 270 pounds puts him among the lighter members of the Forty-niner team.

President Bill Conners presided at the meeting with 48 Rotarians present, including 10 members visiting here from neighboring Rotary clubs.

Spanish explorers and missionaries introduced olives into California in 1769.

TAHOE COMMITTEE PROTESTS RAISING OF PLACER TAXES

AUBURN — A committee of eight property owners in the Tahoe Lake area, appeared before Placer County Board of Supervisors to protest recent raises in their tax rate.

Tax Assessor Lloyd Geraldson was called to discuss the matter before the committee and board. He said, "There is not one assessed value in the lake area which is not lower than the actual value placed on the property by the owner himself."

There was considerable discussion between Supervisor Paoli and Geraldson as to the assessor's manner of arriving at changes.

"We arrive at tax valuations by different means," he said, "all of our analysis comes from the taxpayers themselves. We take in property income, buying and selling."

Paoli said he could not see how income could govern the tax rate.

"I'm doing what my job says I must do according to law," said the tax assessor.

The Tahoe committee indicated through Carl Bechdolt, owner of Tahoe Inn, that they would be back in force next Monday to meet again with the board.

CAMP PAHATSI IS READY FOR SCOUTS FOR SUNDAY OUTING

Stan Wright, council chairman of the camping and activities committee of the Tahoe Area Council announced today that Camp Pahatsi mile-high Scout Camp of the Tahoe Area Council is ready to open its doors for its 32nd season of camping.

The first of five periods of camp will begin Sunday, July 10, the last period closing August 14. More than 600 Scouts and leaders are expected to participate in the summer program.

Registrations for the first period indicate that Troop 1 of Roseville, Scoutmaster Mitch Lewis, Troop 24, Nevada City, Bob Piercy, Scoutmaster, Troop 17 of Auburn, Grant Ursenbach, Scoutmaster, Troop 10, Auburn, Warren Wittich, Scoutmaster and Troop 34 of Corona, Scoutmaster Snedecor have made reservation for attendance. Additional reservations have been made for each of the other periods and a full program is expected by Camp Director Bob Fitzpatrick.

Highlights of the summer program will include additional emphasis on aquatics due to the acquisition of seven new row boats and a new canoe made possible through the generosity of the Auburn 20-30 Club, Auburn Rotary Club, Colfax Lions Club and the Roseville Lions Club.

Other important phases of the program—beside eating—will include a new rope yard, demonstration area, axe yard, and a renewed interest in the rifle range and skeet range.

Other activities will include nature study, forestry and conservation emphasis under the leadership of Horace Cherry, assisted by the state division of forestry. A field sports archery range and target shooting with instructions given by Clyde W. Riggan, of Auburn. Softball games, horseshoe contests, water carnivals, campfire programs, backwoods hiking, fishing in Lake Kilborn will be other important parts of the program.

TWO CAR MISHAPS INVESTIGATED IN TAHOE CITY AREA

TAHOE CITY—Two minor traffic accidents occurred in this locality on Saturday, July 2. Mrs. Tom Hulbert of this city, driving down the hillside street from her home here was side-swiped by a car driven by Lee Blass, a visitor from the valley. Both cars were considerably damaged, but neither driver was hurt.

The second mishap occurred on Highway 89 just south of town near the Catholic Church, on Saturday afternoon, when Robert Kluth of Crystal Bay sideswiped the station wagon owned by Ted Beckett of Orinda. Both cars were damaged, and Charlotte Mae Burke, King Beach, a passenger in the Kluth car, was hurt.

On the south side of the Emerald Bay grade on Saturday evening a new Chevrolet coupe missed a turn and plunged over the steepest part of the bay's surrounding mountainside. It turned over several times before lodging against trees at the foot of the mountain. Officers from the south end were called on and the emergency and took the driver and passenger to the nearest hospital in that vicinity, and their names and extent of injuries could not be learned here. But the Tahoe City Garage equipment brought in the wreck, the first of its kind for some time, and found it smashed almost beyond any resemblance to an automobile.

MERCY FLIGHT IS MADE FOR TAHOEAN

Verne L. Bemis, 37, of Lake Tahoe was flown several thousand miles in an army twin-engined cargo plane last week and was admitted to the veterans' hospital at Fresno for treatment. Details of the mercy flight were not revealed and it was not immediately learned why Bemis was returned to the states from the South Pacific where he was a civilian employe.

Bemis was accompanied from Travis AFB where he was landed by a nurse and medical corpsman.

The Dorcas Circle of the W.S.C.S. Community Methodist Church wishes to thank all those who contributed to the success of their June baking sale.

SIX GATES OPEN

TAHOE CITY—With six gates open, the level of Lake Tahoe this week stood at 6226.78 feet above sea level. Temperatures have ranged a trifle below normal, with a high of 65 on Saturday to a low of 32 on Friday morning.

188-hp Buick SPECIAL 6-Passenger, 4-Door RIVIERA, Model 43

This 4-Door Beauty is the Newest Hit in Hardtops

You certainly ought to come in and see for yourself why this new kind of hardtop is headed for the best-seller list.

It's a Buick Riviera, of course.

Which means the low and rakish look of a Convertible — a solid steel roof overhead — *and no center posts in the side window areas to obstruct your view.*

But that's only the beginning.

Here you get *two extra doors.* They open to the rear compartment. So no one in the front has to move when someone gets into or out of the rear.

Here you get massive *half*-pillars on either side on which the front doors latch and the rear doors hinge. (That's why you see no center posts above the door line.)

Here, too, you get wholly new principles in body design and strength that give the extra safety of rock-firm solidity at the top, sides and bottom.

And here—bless those Buick engineers!—you get a lot more room in the rear compartment.

For the 4-Door Riviera gives you over 9 inches more hiproom and 5 inches more legroom — yet with *no* increase in wheelbase or over-all car length.

So we repeat—you certainly ought to come in and see this stunning new kind of hardtop.

It's the very last word in beauty, comfort, convenience. It's available in Buick's two lowest-priced Series — the SPECIAL and the CENTURY. And it's *all* Buick — with Buick power, Buick ride, Buick handling—and the spectacular performance of Buick's Variable Pitch Dynaflow.*

Drop in today—tomorrow at the latest—and learn what Buick's all time record sales year can mean to you in the way of a whopping-big trade-in deal.

**Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on ROADMASTER, optional at modest extra cost on other Series.*

Thrill of the year is Buick

Officers Busy

Deputy Sheriff Harry Johanson reports that over the Fourth of July celebration here there were three patrolmen from Auburn and five dupties on the job. It kept the officers all busy, and no traffice accidents were reported over the evening of the third or the morning of the Fourth.

Mrs. Fred Manley came from Los Angeles to spend some time at her home at Tahoe City.

PATRONIZE ADVERTISERS

DAMAGE SUIT FILED AGAINST RESORT AS RESULT OF REPAIRS

RENO—Damages totalling more than $45,000 were requested in a civil suit filed Tuesday in district court against Cal Neva Lodge and eight other defendants. The action was filed by three persons who own property in the Crystal Bay area.

Filing the suit were Edward E. Hills, Leslie W. Hills and Ethel Lee Hills, who told the court that their property in Washoe County and Placer County was damaged when construction work was done at Cal Neva Lodge within the last 90 days.

The defendants in the suit are Bert M. Grober, Herman Traction, Harold Traction, Ray D. Warren, David Gerson, Windsor Construction Co., Jerry Lewis and Baker Construction Co.

The defendants used a bulldozer on their land and destroyed 500 feet of fence belonging to the Hills, the court was told. They also dumped debris on the plaintiffs' property, according to the complaint.

The court was asked for $25,000 in punitive damages, $15,000 in damage to the land, and more than $5000 for other reported losses and costs.

PLANS PROGRESS TO PRESENT RACES OF SPEED BOATS SOON

TAHOE CITY — Preparations are progressing for staging the annual speed boat races, sponsored by the Tahoe Yacht Club at Chambers Lodge course Sunday, July 24 from 9:30 a.m. to 12:30 p.m.

This event attracts some of the fastest boats and best drivers in the country and provides thrills aplenty for the thousands of spectators who will line the shores for the races.

The regatta committee is headed by Chairman Clark Hall and other members include Co-chairman J. Allan Bray, Fred Main, Jake Obexer, Robert W. Dobbins, Roger Murphy, Marshall Kraus, Warren Bradley and George M. Lewis.

Announcers will be Fred Main, R. Randolph Walker and Brooks Walker.

The Tahoe Yacht Club, founded in 1925, has as commodore this year R. Randolph Walker, while the vice-commodore is J. Phillip Murphy; rear commodore, Clark Hall; post captain, A. G. Stelzner, secretary-treasurer, E. L. Oliver and assistant secretary, Jack Dix.

The water ski carnival, also to be held at Chambers, under the chairmanship of Lowell Berry, is scheduled for August 14 this summer.

TAHOE COUNCIL OF SCOUT LEADERS TO HOLD SUMMIT MEET

The Tahoe Area Council, Boy Scouts of America with the executive committee acting as hosts will provide a barbecue at Camp Pahatsi, located near Soda Springs on Saturday, July 30, from 4 to 6 p.m. Scouters and their families, and members of service clubs and their families are invited to be the guests of the council on this occasion.

The purpose of the barbecue is to show appreciation of the administration of the program of Scouting in the council to those who sponsor a unit in our council and to the organizations as well, to extend a hand of greeting, and an opportunity to demonstrate the excellent facilities at Pahatsi and see summer camp in full operation.

Howard Lee is general chairman with an excellent committee assisting him. Deadline for reservation is July 16 and should be made in the various communities with the following: Auburn: Ray Cayot or Paul Clairborne. Roseville: George Linsley. Lincoln: Francis Grey. Rocklin: Ray Johnson. Penryn and Loomis: Howard Snelling. Newcastle: Dave Thom. Colfax: Walter Wooley. Foresthill: Ivan Hughes. Grass Valley: Oscar Bailey. Nevada City: Elsa Kilroy. Kings Beach: C. E. Mandeville, Truckee and Tahoe City: William Conners.

Region Nine of the Federal General Services Administration comprises California, Nevada, Arizona and Hawaii.

Business Activity In State Shows Gains As Past Records Fall

SACRAMENTO (CNS) — Business activity in California continued to rise during April, reaching an index of 181, one point above March and 11 above a year ago.

Maurice C. Sparling, state superintendent of banks, reported that department store sales hit 125, compared with 119 the previous month and 114 for April of last year.

Bank debits were indexed at 169, compared with 156 for April, 1954.

The indexes were based on activities from 1947 to 1949, represented as 100 per cent.

SOUTHERN PACIFIC BUILDS NEW CARS

Southern Pacific Company today announced plans for addition of another 950 box cars to its expanding freight car fleet. The new cars will call for expenditure of about 8¼ million dollars.

According to D. J. Russell, president of the railroad, the new car order raises the number of freight cars acquired, or on order by the Southern Pacific since World War II, to about 44,000, of which 26,000 are box cars.

Together with purchase of diesel locomotives in the post war period, a total of about $568,000,000 has been spent or authorized to date for new equipment, it was pointed out.

The new 950 box cars will be of the 50-foot, double-door variety, which are especially in demand for shipments of many products and will feature the latest improvements in car design. In the last 10 years, over 6000 cars ordered or built by Southern Pacific were of this type.

Already delivered this year to June 1 were 765 new freight cars, all of these of the 50-foot, double-door type. On June 1, another 1744 new cars were on order undelivered, in addition to the 950 cars announced today.

NEWS NOTES FROM TAHOE

by Ethel Joslin Vernon

Fourth Celebrated

On the evening of July 3rd the biggest and best Independence Day program in Tahoe history was staged from the Tahoe City Commons and the piers extending from this shore. All along Front street through town and facing the lake, large loud speakers had been placed high on power poles at an equal distance apart, and throughout the day music had been played from a sound box installed at the south Y in the highway. From all the loud speakers along the quarter mile stretch the air was filled with melody for the whole town to enjoy. The same system was used for announcing throughout the fireworks show in the evening.

From 8 p.m. through a long evening the lake waters off from the Tahoe City shore were dotted with boats of every size and variety, while the commons grounds were covered from end to end with parked cars, and throngs of visitors crowded the piers, the lake's edge and the cliff-banks fronting on the water. It took several officers to tend the traffic along the crowded highway, and the number of people attending the show was estimated at something over five thousand.

Special Attractions

The fireworks display included two rows of lighted boats called the "firing lines" which were towed by launches along the off-hore waters, and two brightly lighted water-skiers tracing fiery figures on the water behind speed boats. There were also numerous kinds of rockets, Roman candles and star-shower bursting over the water for more than an hour. There were so many cars parked bumper to bumper all over the commons that it took six traffic officers an hour, after the display was over to maneuver them out, and along the highway out of town.

Ski Tournament

On Sunday afternoon in Squaw Valley the annual mid-summer ski tournament was staged from the high slopes where the snow pack was said to have remained in good condition throughout the unusually cool spring and early summer. The sky chair was in operation constantly all day, carrying loads of visitors to the summer for the view of the mountain land, and for a vantage point for watching skiers in competition on the high slopes.

House Warming

A house warming barbecue was held by friends one evening last week for Mr. and Mrs. Ricardo Gianinni at their newly purchased home in Tahoe Park. Mrs. Ken Marvin and Mrs. Rodney Grinstead acted as hostesses and arranged the setting for the barbecue. The two ladies tended a large turkey and ham on spits over charcoal burners til the meat was barbecued to a delicious turn of perfection. The meal was served at a buffet supper with a variety of salads, vegetables, relishes, fruit, coffee and other drinks. Jay Shontz, one of the guests, using his polaroid camera, made up a booklet on the occasion of interesting pictures of guests and hostesses, for the benefit of the honorees. Later in the evening the Gianinnis were presented with checks to be used in purchasing articles for furnishing the new home. A record player was set up on the large wooded porch of the new home, and there was dancing throughout the latter half of the evening. Forty some friends and neighbors attended the party.

Tahoe Visitors

Visitors over the holiday weekend at the C. W. Vernon home included Mrs. E. H. Ward of Pittsburg, a summer home owner here for the past 10 years, Mrs. Mabel W. Harley, a visitor from Pacific Grove, and a friend of early days at Tahoe, Mrs. Ollie Engle of Daly City who was a houseguest of the Vernons for the past two weeks, including the holidays. A|1c Florence B. Vernon, elder daughter of the Vernon family, was at home on leave from Hamilton Air Force Base for the week including the holidays. Miss Vernon is contemplating a change in service occupation within the month, as she has put in application for a change to her former work as recreational hostess in the N.C.O. Club. She also expects a raise in rating soon from her present standing of A|1c to staff sergeant.

Entertain

The C. W. Merrill summer home on the lakeshore at Tahoe City was rented last week for the season to Mr. and Mrs. Christopher Eberts of San Francisco, and the family entertained houseguests from the bay region there over the holidays. Mr. Eberts is a Canadian consul, and has been stationed for the past several months on the Pacific coast.

Porters Return

Bishop and Mrs. Noel Porter returned here a week ago from their winter home in Sacramento, and have been enjoying their lakeshore lodge on Highway 89 south of Tahoe Tavern. The Bishop opened the Episcopal Chapel for its first summer services on June 26th and will hold regular Sunday services there throughout the season. The Porters are expecting their daughter's family, Mr. and Mrs. Herman Raugh and three children up from their Sacramento home to spend the mid-summer season with them.

From Texas

Sometime during the coming week Mr. and Mrs. Larry Hart are expected in from Dallas, Texas, where they have resided for the past several years, and they will open their palacial new home in the lakeshore section of the Rubicon Park tract. The home, which is large and elaborate, was built for them during the past winter and spring months by Building Contractor Martin Spitsen of Tahoe City.

Up From Las Vegas

Celeste and Vern Daniels, former Tahoe City residents for several years in the past, drove in on Friday evening from their present home in Las Vegas, Nev. They spent the holiday weekend with Celeste's sister, Marie Henry, and family.

Daughter Visits

Miss Carol Shifton of Oakland spent the latter part of the week on a visit to her father, William Shifton of this city. Carol will be rounding out her first year of a term in nursing college this coming September. She will have two more years to attend before she will receive her certificate as a graduate nurse.

Enjoyed at Lake

Mrs. Etta Marshall, an old-time Tahoite who will be remembered by many as a resident of this locality for some 15 years or more in the past, returned to Tahoe a week ago after many years absence. She is employed for the summer season at Loraine's restaurant. Mrs. Marshall spent the past winter at a resort hotel west of the Donner Summit. It was at this location about three weeks ago that her husband, Ted Marshall, passed away.

Open Pine Lodge

Mr. and Mrs. Sydney Ehrman, summer residents of the lake for the past 30-some years, have again opened their home, Pine Lodge, for the season. This beautiful home, in the old days known as the Hellman place, is situated on a high lakeshore slope a short distance north of Meeks Bay, and is one of the oldest buildings on the south-western lakeshore. Mrs. Ehrman is still wearing a cast on a broken leg which she sustained in a fall when landing from a plane after flying home from a tour in Europe recently. The Ehrmans are expecting their daughter and family soon from Paris, France. The entire family, Mr. and Mrs. Claude Lazard, daughters Christiane and Florence, and sons, Sydney and Claude Eric, are expected to spend the summer season here.

Add to Home

While driving the lakeshore highway south of town the other night we noticed that Fern Schlueter has recently added considerably to the attractiveness of her lakeshore home and resort buildings. The most bright and beautiful improvement of all is a huge neon creation whose giant colored letters spell "Schlueter's Lodge."

Pays Fine

John Russell Dennis of 1316 Redwood avenue, San Jose was arrested on a lake region highway during the past week by Deputy Sheriff Harry Johanson and charged with violating motor vehicle code 510 (driving without due caution) and also section 79, sobriety ordinance. On June 30 in the court of Justice of the Peace Harry Charrison, the accused plead guilty as charged and paid a fine of $125.

Adopt Budget

The board of fire commissioners of Tahoe City Fire Protection District, at a meeting here on June 30, adopted a budget of $3149 for operations and maintainance for the fiscal year 1955-56. Of the total budget $725 is for the purchase of a hose drier for the fire department.

SATURDAY AND SUNDAY

Entertain Guests

Mr. and Mrs. Dick Carnell of this city entertained over the holidays Mrs. Carnell's sister and family from Carmichael, Cal., Mr. and Mrs. Joe Leach, son Bruce and daughter Kathy. The Leach family brought their yacht along on a trailer, and with the Carnells they have been enjoying navigation on the lake.

Has Accident

Mr. and Mrs. Ted Beckett and family are in for the summer at the Sweetland home near Homewood. Their older son had a slight traffic accident on the lake highway since their arrival when their new station wagon was crashed in from the rear, but the young driver got off luckly without injury. Mrs. Beckett is a daughter of the elder Sweelands who have been summer residents here for more than 40 years.

The H. T. McClatchys of Sacramento are staying at Tahoe City until September.

Bank of America resources now total more than

$9,240,000,000

World's Most Popular Bank

When we got through adding up the figures for our mid-year statement of condition, our total resources once more indicated that B of A is the world's most popular bank. Of even greater interest is the fact that more than 3,000,000 Californians now have savings accounts in Bank of America.

✓ SAFETY
✓ CONVENIENCE
✓ AVAILABILITY

These are the three big reasons why so many Californians save at Bank of America. *Safety*—our bank's great resources afford the ultimate in safety. *Availability*—there's no substitute for "money in the bank" where you can always get it when you want it. *Convenience*—almost anywhere in California, there's a branch of our bank nearby, always ready to serve you.

BANK OF AMERICA N.T. & S.A.

? BofA *Quiz Corner* ?

DID YOU KNOW THAT savings deposits made on or before Monday, July 11, at Bank of America earn full 2% interest from July 1? Why not start your savings account now at Bank of America?

Color
extensions add beauty with convenience
Think how attractive extension phones in color will look in your home. They'll complete your color scheme in any room. And add the beauty of color to the up-to-date arrangement of always having a telephone within arm's reach.
Color extensions come in red, blue, green, yellow . . . beige, brown, ivory or gray—or in four "two-tone" combinations. Call our business office today. Pacific Telephone.
Take life easy... each extension phone costs less than a nickel a day

Veteran Railroader Retires At Roseville

ROSEVILLE—George Schroder, 423 Oak street, has retired after 50 years' service with the Southern Pacific Company.

Rail officials said he has a perfect safety record.

He started his long rail career as a call boy in the old Rocklin yard and later became a brakeman on the single track main line between Rocklin and Truckee.

Committee List Many State Files Secret In Recent Senate Report

SACRAMENTO (CNS)—The senate committee on governmental administration in a report released on its survey of public records listed government files which state agencies consider to be confidential.

The committee stated that agencies included in the survey indicated "a general uncertainty" as to what public records are confidential.

According to the report, some of the records considered to be closed to public view included:

Secretary of state — Governor Warren's papers, sealed for 10 years at his request, criminal records from the governor's office; dealers' records of sale of revolvers and pistols; inheritance and gift tax; records from the controller's office.

Department of education—personel records; records of teachers' retirement board; records of investigations of fitness of applicants for teaching credentials; minutes of the director's cabinet meetings.

Department of corrections—personnel and inmate records.

Department of veterans affairs—financial assistance and adoption case records.

Department of public health—morbidity reports of cases of communicable diseases.

State teachers' retirement system—all records.

Department of fish and game—reports of quantities of fish caught or purchased by people in the fish industry.

Division of real estate—reports on investigations of licensees.

State employes' retirement system—all records filed by any member or beneficiary.

Division of forestry—timber registration records.

Division of beaches and parks—property appraisals on land acquired; correspondence relating to gifts to the state.

Department of motor vehicles—physical or mental condition of any person; financial responsibility reports; accident reports.

California Highway Patrol—accident reports; personnel records.

Department of employment—records with reference to employers. employees, unemployment insurance beneficiaries, and disability insurance beneficiaries.

State controller—secret service funds of attorney general and governor.

State board of equalization—records of individual taxpayers.

Franchise tax board—all records.

Department of mental hygiene—case histories and medical records of patients.

Industrial accident commission—records received in connection with arbitation proceedings; reports required of individual employers.

Agencies which reported having no confidential records included the recreation commission, state fair and exposition, department of finance, board of state harbor commissioners, and the state fire marshal.

More than 30,000 independent operators harvest the wood which is used in the production of pulp and paper in the United States.

One of San Francisco's famous landmarks, Liberty Monument atop Mount Olympus, was given to the city by Adolph Sutro in 1887.

SUMMONS

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA IN AND FOR THE COUNTY OF NEVADA

No. 11026

FREDERICK E. EASTMAN,
Plaintiff,
-vs-
ALL PERSONS UNKNOWN, claiming any right, title, estate, lien or interest in the real property described in the complaint adverse to plaintiff's ownership, or any cloud upon plaintiff's title thereto,
Defendants,

THE PEOPLE OF THE STATE OF CALIFORNIA SEND GREETING TO:

You and each of you are hereby directed to appear and answer the complaint in an action entitled as above, brought against you in the Superior Court of the State of Calfiornia, in and for the County of Nevada, within ten days after the service on you of this summons if served within this County, or within thirty days if served elsewhere.

And you are hereby notified that, unless you appear and answer as above required, the said plaintiff will take judgment for any money or damages demanded in the complaint as arising upon contract or will apply to the Court for any other relief demanded in the complaint.

The object of this action is to make the above defendants set forth the nature of their claim or claims to the real property in the complaint and hereinater described, if any they have, and that such claim or claims be adjudged to be of no effect and void, and that plaintiff's title to said real property be quieted against them.

That said real property is situate in the County of Nevada, State of Californai, and is particularly described as follows:

The West half of the Northwest quarter and the Southeast quarter of the Northwest quarter of Section 4, Township 17 North, Range 12 East, M. D. B. & M.

GIVEN under my hand and the seal of the Superior Court of the State of California, in and for the said County of Nevada, this 15th day of June, 1955.

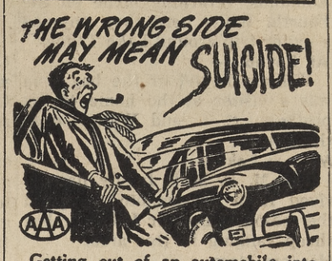
Pedestrian Protection



Getting out of an automobile into traffic is inviting death or injury. Even the most alert driver can not be ready for fellow drivers and riders who leap into his path from parked cars. It is a particular temptation for drivers to get out of the car the "easy" way, opening the door by the driver's seat and stepping into traffic, rather than sliding across the seat and leaving by the door adjacent to the sidewalk. The easy way is the wrong way, warns the American Automobile Association. Always alight from a car on the curb side.

—AAA Safety Feature

Appointment Of 1960 Olympics Committee Not Anticipated Soon

Gov. Goodwin J. Knight has indicated he may appoint a woman to the five member California Olympics Commission.

The commission was authorized by the recent session of the legislature to administer the staging of the 1960 winter Olympics events in Squaw Valley.

"I certainly think the commission membership should include a woman," the governor said at a news conference. "Women are very prominent in skiing and other sports and should be represented on this commission."

He added he does not plan to appoint the commission for several weeks, but will seek people who know the Olympics type of winter sport from the ground up.

Soviet Flag Unclaimed After Being Taken In Robbery Of River Home

AUBURN—Anybody short one flag of the Union of Soviet Socialist Republics?

Sheriff William A. Scott is holding the flag, waiting for it to be claimed.

Lieut. John Shingle found it while making an inventory of property listed as stolen from summer homes along the Truckee River by William F. Rarick and Robert H. Culpepper, since turned over to the California Youth Authority as the burglars.

Rarick was committed through the Sacramento juvenile court. Culpepper was sentenced through the superior court of Placer County, after Sacramento declined jurisdiction.

Scott says the flag will be held until the owner claims it.

Notice to Taxpayers

NOTICE IS HEREBY GIVEN that the Board of Supervisors of the County of Nevada, State of California, will sit as a Board of Equalization on TUESDAY, JULY 5th, MONDAY, JULY 11th and MONDAY, JULY 18th, 1955, for the purpose of equalizing the assessment rolls of the County of Nevada.

NOTICE IS HEREBY FURTHER GIVEN that any taxpayer of the said County of Nevada who desires to file any objection to his assessment as made by the County Assessor may appear before the said Board of Supervisors on any of the above dates between the hours of 10 o'clock A. M. and 4 o'clock P. M. and present his objections. If no person appears and presents his objections to said assessment, said assessment will remain the same as set forth in full on the rolls of Nevada County for the 1955-56 tax year as prepared by the said County Assessor.

Nevada County Shares In State License Fees

SACRAMENTO (CNS) — State Controller Robert C. Kirkwood today announced apportionment of $73,979,874 in automobile license fee "in lieu" taxes to California cities and counties.

The sum of $36,989,937 was apportioned to counties of which Nevada County got $69,491.

Kirkwood said the state collected $77,422,519 in "in lieu" taxes during the six months period ending May 31. Deductions of over $3 million for support of the department of motor vehicles and interest on three highway bond issues were taken out of the fund before apportionment.

The controller reported the distribution was nearly $7 million over that for the same period last year.

A distance of 2897 miles separate Point Arena, California and West Quoddy Head, Maine — the widest part of the United States.

New Law Regulates Sale Of Fire Arms

Gov. Goodwin J. Knight has signed into law three bills affecting the sale and possession of firearms in California. All were authored by Assemblyman Fleury.

They provide that guns capable of being concealed on a person cannot be carried in a vehicle without a license to carry it if it is concealed in the vehicle; that a person is required to wait three days after making application to purchase a pistol or revolver rather than obtaining it the first day; that it is unlawful to sell firearms to a person if there is cause to believe he is an alien, a convicted felon, narcotic addict or a minor under 18 years, and that copies of register of sale of firearms capable of being concealed be sent to the chief of police, sheriff, city marshal or in case of county, to the county clerk.

Returns to Truckee—
Mrs. Walter Bigelow has returned from Fair Oaks to make her home in Truckee.

Zydner Back—
Peter Zydner is back from Bakersfield, living in one of his houses at Meadow Park, expecting to stay until winter.

Open House—
Mr. and Mrs. Michael McManus of Menlo Park have opened their house in Meadow Park for the summer.

SERIOUS DANGERS FROM FIRE LOOMS FOR THIS SUMMER

From all reports, California faces an unusually serious forest and rangeland fire season this year. Less than normal rainfall in many sections of the state has resulted in tinder-dry grass, brush and forests.

Any spark, carelessly discarded smoke or neglected campfire can start a roaring inferno, incinerating valuable timber, killing wildlife, destroying watersheds, polluting streams and sometimes taking a toll of human life. This is a terrible price to pay for a moment of carelessness.

State and national forest services are distributing this summer a leaflet which set forth a code of good outdoor manners, endorsed by Smokey, the fire-fighting bear, which every California should memorize and use.

Says Smokey: "Break your matches. Crush your smokes. Drown your campfires. Leave clean roadsides. Drive carefully. Arrive safely."

There, in a nutshell, is a prescription which, if followed, will save California's multi-billion dollar forest resources and rangelands, and promote enjoyable vacationing, travel or just plain living.

Let's all sign up with Smokey and keep California green, clean and beautiful.

Hugh Smith Is Attending Summer Session In Ariz.

Hugh Smith, a resident of Truckee, is attending the first of two summer session terms at Arizona State College at Tempe, it was revealed today.

The first term extends from June 6 to July 9; the second, from July 11 to August 13. A post-session devoted to "Great Personalities in American History" will be held from August 15 to September 2. Workshops in home lighting and sports were conducted during a pre-session which extended from May 31 to June 4.

In addition to 11 workshops and four education conferences, the ASC summer session program also includes the delinquency control institute, from June 6 to August 13; study tours to Europe and Mexico; and an all-state high school music and fine arts camp, June 12 to July 2.

A graduate student at ACS, Smith is the son of Mrs. Anne E. Smth, Scottsdale, Ariz.

Bank Reaches Record High In Total Resources

Bank of America reached record high in total resources, deposits and loans in its statement of condition dated June 30, 1955.

Total resources now stand at $9,240,08,971, an increase of $877,224,156 over mid 1954.

Deposits total $8,390,597,004, which is $94,562,337 over a year ago.

Loans outstanding aggregate $4,302,092,082, or $296,059,887 more than at the last midyear.

During this period there has been a consistent upward trend in loans, the bank's major earning asset, commented President S. Clark Beise, and indications are that this demand will continue for the balance of the year.

With Relatives—
Leilani Braasch has been visiting relatives at Riverside.

Marts Meet Friends—
Mr. and Mrs. A. C. Marts of Placer County were recent local visitors.

From Idaho—
Mr. and Mrs. Lloyd Sickle returned here last week from Drummond, Idaho.

Family Leaves—
Mrs. Keith Weeden and four children left for their home in Oakland after visiting with her parents, Mr. and Mrs. Tony Polyanich.

Up From San Francisco—
Mr. and Mrs. Ross Buell and two children were weekend visitors at the home of Mrs. Buell's father, C. Edmunds, returning home on the Fourth. While here they enjoyed a motor trip around Lake Tahoe.

At Loynd's—
William Loynd of the bay area was a visitor at the home of his brothers, E. L. and Walter, over the Fourth.

Mills at Lake—
The M. F. Mills family has arrived from Sacramento to spend the season at Donner Lake. He has sheep ranging in this area.

Harpers Here—
Mr. and Mrs. Chase Harper of Pomona have returned here to stay until fall.

Wakefields to Roseville—
Mr. and Mrs. Al Wakefield and children are now living in their recently built house at Roseville. Mr. and Mrs. Hugh Weinand are occupying the Wakefield home here.

PROPERTY TAX IN COUNTY REACH $1,498,640 IN YEAR

Property taxes levied in Nevada County reached $1,498,640 for the year which will end on June 30, California Taxpayers' Association reported today.

The $1,498,640 total levy in the county for 1954-55 is 5.2 per cent greater than the $1,424,139 levy for 1953-54 and it is 52.9 per cent greater than the $98,442 levy for 1949-50.

Population of the county, in contrast, showed a 4 per cent increase from January, 1954, 1955, and 1.1 per cent increase from the 1950 census to January, 1955.

Included in the $1,498,640 total property tax levy in the county for 1954-55 were $699,283 for general county purposes, $158,688 for municipalities, $610,165 for school districts, and $30,504 for special districts, the taxpayers' association said.

State-wide, local tax levies on property in California reached a new high of $1,137,648,584 for 1954-55, up 10 per cent from the $1,034,538,862 levied for 1953-54 and up 56.8 per cent from the $725,618,585 levied for 1949-50.

Holiday Visitors—
Mr. and Mrs. Lyle Wescoatt and children of Yuba City were holiday guests of Mrs. Cecil Clepper.

At Donner Lake—
Mr. and Mrs. John Saibini and daughter of Reno visited local friends and have opened their house at Donner Lake.

Archers Are Reminded Guns Are Forbidden

California's growing army of archery hunters were reminded by the department of fish and game that it is now illegal to carry or use firearms of any kind while hunting with a bow and arrow.

The new law, passed during the recent session of the legislature and effective immediately, provides that the archer may not use, carry or have in his immediate control, a firearm of any kind while hunting with a bow and arrow.

Electric Power
At Any Hour .....

Your Magic Servant . . Electricity is ready to serve you night and day.

In the middle of the night, you just flip a switch and the friendly glow of an electric light brightens the darkness.

And all through the day you use electricity in dozen of ways, often without realizing it.

Yes, electricity is a 24-hour servant —the best servant you could ask for (and the biggest bargain, too!)

QUALITY Rx SERVICE
THE PRESCRIPTION PHARMACY

To pay for Knowledge is Often Real Economy ....

Can you measure the value of an examination and diagnosis by your Doctor? The fee paid to him is not for work alone. It is also for his knowledge, for knowing what to do.

Likewise there are years of study and experience that are a part of every prescription dispensed. Consider this, and note that the pharmacist's fee for professional knowledge is but a small part of the moderate cost of your medicine.

Tarzan

by EDGAR RICE BURROUGHS

AFTER THE CONCLUSION OF THEIR INTERVIEW, KING ALBERT ORDERED THE APE-MAN TO START HIS DUTIES AS SQUIRE TO SIR ROGER--

...ALMOST IMMEDIATELY, BY DIRECT COMMAND OF THE KING, TARZAN BEGAN TRAINING FOR THE ROYAL ORDER OF KNIGHTHOOD.

THE TASK OF BECOMING ACCUSTOMED TO HEAVY ARMOR HAD ITS HUMOROUS MOMENTS--

BUT TARZAN PROVED AN APT PUPIL, FAST LEARNING THE SKILL OF SWORD PLAY--

THE COMPLEXITIES OF BATTLE AXE, BALL AND CHAIN--

AND THE TECHNIQUE OF JOUSTING ON HORSEBACK!

AND SO THE RIGOROUS INSTRUCTION PERSEVERED UNTIL, ONE DAY, A HERALD CAME FORTH TO DELIVER A MESSAGE.

"HARK YE! ON THE MORROW, KING ALBERT CALLS FOR A TOURNAMENT--A JOUSTING CONTEST TO DETERMINE THE BEST OF HIS NOBLE KNIGHTS!"

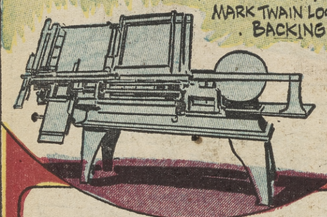
JAMES W. PAIGE, *Rochester, N.Y., inventor,* SPENT 20 YEARS CREATING AN AMAZING TYPE-SETTING MACHINE, SO COMPLEX THAT HE WAS THE ONLY MAN EVER ABLE TO OPERATE IT! IT COST OVER $1,300,000-- AND WEIGHED 3 TONS... TWO PATENT ATTORNEYS WERE COMMITTED TO ASYLUMS WHILE EXAMINING IT... MARK TWAIN LOST $190,000 BACKING PAIGE...



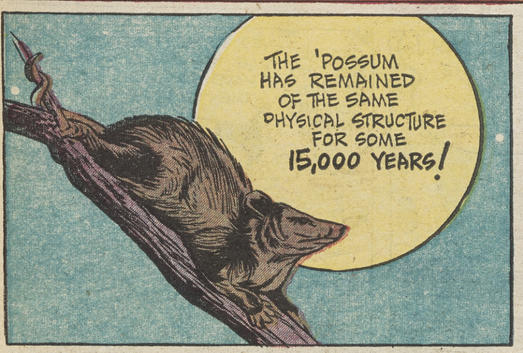
"THE PICTURE THAT GLOWS IN THE DARK"!

A PAINTING, WHEN VIEWED BY DAY SHOWS ONLY CHRIST STANDING BY THE LAKE OF GALILEE BUT AT NIGHT A CROSS, APPEARS OVER JESUS' RIGHT SHOULDER, A HALO OVER HIS HEAD AND THE ENTIRE BACKGROUND BECOMES LUMINOUS...

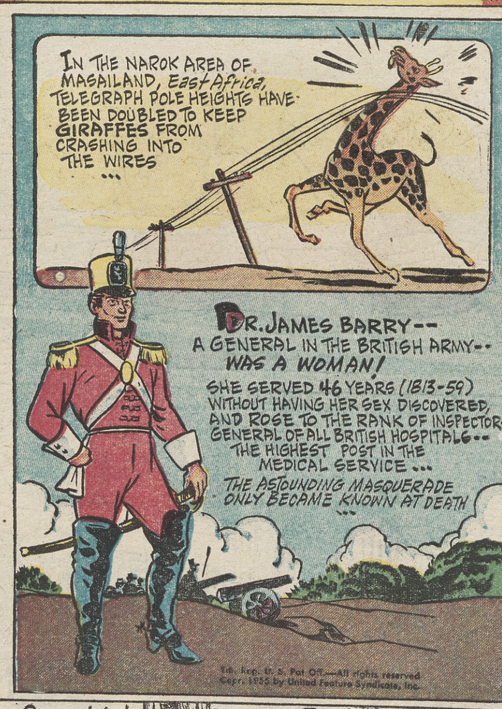
IT WAS PAINTED 2 YEARS BEFORE THE DISCOVERY OF RADIUM, HAS BEEN STUDIED BY FAMOUS SCIENTISTS, RECENTLY GEIGER COUNTERS WERE USED BUT NO EXPLANATION HAS EVER BEEN FOUND FOR THE PAINTINGS PERMANENT LUMINOSITY!

Church of St. Francis de Assisi, Rancho De Taos, N. Mex.

THE EARLY EGYPTIANS WERE PUTTING GEOMETRY TO PRACTICAL USE LONG BEFORE IT WAS SYSTEMATIZED AS A THEORY... THE ORIGINAL AND SCIENTIFIC METHOD WAS USED FOR MEASURING THEIR FIELDS AND WAS LATER PUT INTO WRITING BY PYTHAGORAS!



IN THE NAROK AREA OF MASAILAND, *East Africa,* TELEGRAPH POLE HEIGHTS HAVE BEEN DOUBLED TO KEEP GIRAFFES FROM CRASHING INTO THE WIRES ...



DR. JAMES BARRY-- A GENERAL IN THE BRITISH ARMY-- *WAS A WOMAN!*

SHE SERVED 46 YEARS (1813-59) WITHOUT HAVING HER SEX DISCOVERED, AND ROSE TO THE RANK OF INSPECTOR-GENERAL OF ALL BRITISH HOSPITALS-- THE HIGHEST POST IN THE MEDICAL SERVICE ...

THE ASTOUNDING MASQUERADE ONLY BECAME KNOWN AT DEATH ...
